

# Looking Forward to the 2024 SEASON of FIELD of ANGELS!

 We play at Skyline High School  
on Thursday evenings.

Games will be played June 6, June 13,  
June 20, June 27, and July 11.

(There may be different times depending on the number of players.)

 Bring your own buddy!  
There will be volunteers, but there is  
no guarantee there will be someone  
to assist the all-star every game.

(If you have a group or individual that would like to volunteer as a  
Buddy, please contact Becky @ 208-757-1647.)

 We are collecting a \$10.00  
non-refundable donation.

Please write checks to the  
*Children's with Disabilities Foundation.*

(If this fee is a challenge for any of our possible players, please  
contact us. We don't want any child to miss the opportunity to play  
because of the fees.)

 Complete Registration    
Turn in medical permission and  
donation by Thursday, May 16th.

Please make sure you legibly complete the forms. Watch for  
updates through email, texts, and Facebook.

 With any questions or concerns, please contact  
Becky Wegener by phone or text at 208-757-1647.

The *Field of Angels* baseball league  
is for children who have been  
identified by an agency or  
professional as having a physical,  
intellectual, or developmental  
disability which prevents their  
ability to play baseball in a  
traditional league.

Our league plays both t-ball and  
coach pitch, with teams of  
all-stars at all levels and abilities,  
encouraging participation in  
wheelchairs, walkers, and  
assisted independence.

With the opportunity to play,  
there is a feeling of excitement  
and acceptance.

Coaches, families, volunteers, and  
friends feel the magic through  
these special players and all love  
to participate in

AMERICA'S FAVORITE PASTTIME!
