

Dear Medical Professional:

The *Field of Angels* baseball league is for children who have been identified by an agency or other professional as having a physical, intellectual, or developmental disability which prevents their ability to play baseball in a traditional league.

Our league plays provides both t-ball and coach pitch, with teams of all- stars at all levels and abilities, encouraging participation in wheelchairs, walkers, and assisted independence.

Each player must receive clearance for play during our 2024 Season. Permission for play is granted to those who meet all requirements.
