

Looking Forward to the 2023 SEASON of FIELD of ANGELS!

**We play at Skyline High School
on Thursday evenings.**

Games will be played June 1, June 8,
June 15, June 22, June 29, and July 6.

(There may be different times depending on the number of players.)

Bring your own buddy!

There will be volunteers, but there is
no guarantee there will be someone
to assist the all-star every game.

(If you have a group or individual that would like to volunteer as a
Buddy, please contact Becky @ 208-757-1647.)

**We are collecting a \$10.00
non-refundable donation.**

Please write checks to the
Children's with Disabilities Foundation.

(If this fee is a challenge for any of our possible players, please
contact us. We don't want any child to miss the opportunity to play
because of the fees.)

Complete Registration  
**Turn in medical permission and
donation by Thursday, May 18th.**

Please make sure you legibly complete the forms. Watch for
updates through email, texts, and Facebook.

With any questions or concerns, please contact
Becky Wegener by phone or text at 208-757-1647.

The *Field of Angels* baseball league
is for children who have been
identified by an agency or
professional as having a physical,
intellectual, or developmental
disability which prevents their
ability to play baseball in a
traditional league.

Our league plays both t-ball and
coach pitch, with teams of
all-stars at all levels and abilities,
encouraging participation in
wheelchairs, walkers, and
assisted independence.

With the opportunity to play,
there is a feeling of excitement
and acceptance.

Coaches, families, volunteers, and
friends feel the magic through
these special players and all love

AMERICA'S FAVORITE PASTTIME!
