

# Join us for the 2026 SEASON of FIELD of ANGELS!

The *Field of Angels* baseball league is for children who have been identified, by an agency or professional, as having a physical, intellectual, or developmental disability which prevents their ability to play baseball in a traditional league. Our league plays both t-ball and coach pitch. Teams of all-stars are at all levels and abilities, encouraging participation in wheel-chairs, walkers, and assisted independence. With the opportunity to play, there is a feeling of excitement and acceptance. Coaches, families, volunteers, and friends feel the magic through these special players and all love to participate in America's Favorite Pastime!

✓ We play at Skyline High School on Thursday evenings.

Games will be played June 4, June 11, June 18, June 25, July 2, and July 9.

✓ Bring your own buddy!

We will have volunteers, but there's no guarantee there will be someone to assist the all-star every game.

(If you have a group or individual wanting to volunteer as a Buddy, please contact Becky @ 208-757-1647.)

✓ \$10.00 non-refundable donation.

Please write checks to the *Children's with Disabilities Foundation*.

(If this fee is a challenge, please contact us. We don't want any child to miss this opportunity.)

Complete Registration!  
Registration, Medical Permission,  
and donation by Thursday, May 14th.

With any questions or concerns, please contact  
Becky Wegener by phone or text at 208-757-1647.
